

Level 2

La petite plante

Original Publisher: Pratham Books

Author: Radha Rangarajan

Illustrator: Aindri C

Translator: Cyrille Largillier

Les parties d'une plante

Regardez une plante de près.

Ses racines sont sous le sol. Ses feuilles, ses fleurs et ses fruits poussent sur la tige, au-dessus du sol.

Voici les principales parties d'une plante :

Toutes les plantes abritent de nombreuses formes de vie comme les vers, les insectes et les araignées.

Les fourmis et les pucerons sont souvent vus ensemble sur les plantes.

Les vers de terre vivent autour des racines et maintiennent le sol en bonne santé.

Les abeilles coupeuses de feuilles utilisent des morceaux de feuilles pour construire leurs nids.

La petite plante

(French)

Regarde attentivement les plantes qui t'entourent, il y a tant à voir, tant de créatures à rencontrer et tant à apprendre !

This is a Level 2 book for children who recognize familiar words and can read new words with help.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
